## From the Director's Desk .....

Fransalians Agency for Social Care and Education in India (FAsCE India) continues its journey of 'promoting progresses' through various activities conducted for women, children and youth. It always tries to empower and uplift the marginalized and socially weaker section of the society through various projects and undertakings aiming at urban and rural, tribal and non tribal population of the North east India.

Infuse people with knowledge and skills at different levels are the needs of the hour. Realizing this fact FAsCE India has engaged itself more into the capacity building programmes like awareness on mental health, work shop on handcraft, mental and reproductive health and women's issues at various thrust areas in the first quarter of the year 2023. Accordingly various legal and need based training programmes like awareness on good and bad touch, co-curricular were organized for children and teachers. To widen the horizon of thoughts and to expose children to the national and international thoughts and life, computer education is initiated in a few chosen and most needy schools in the rural areas of North-East India.

Thus, FAsCE India has once again proved to be true to its vision: "Creation of a just and equitable, peaceful and prosperous society, rooted in the firm faith and collective conviction in the capacity of persons towards socio-economic development and individual wellbeing of all, particularly the underprivileged"

As I place before you the first issue of the FAsCE India's newsletter of the year, may I humbly request all of you to continue to support our continuing efforts with your vibrant and constant collaborations, valuable contributions and accompanying prayers. Let us join together and continue to empower and capacitate the weaker sections of the society for a better tomorrow. May God continue to give us the strength, courage and conviction to serve the poor, the needy and the marginalized. God Bless You!

# PROMOTION OF CHILD RIGHTS

## CO-CURRICULAR ACTIVITIES

As part of the regular programs, co-curricular activities were conducted on every weekends. The children were trained on making decorative items, envelopes, greeting cards and clay art. From time to time, resource persons from renowned institutes visited and trained the children. Miss Sagarika Sarma and Miss Darima Das, Freelance Trainer has been training the children of FAsCE Supplementary Education Centre to make decorative items. As a result of these activities, the children are able to participate confidently in art and painting competitions organized by various agencies. The talented children have received certificates and awards in the competitions.

## NORTHEAST KALA MELA

As part of collaborative activities, the children of FAsCE Supplementary Education Centres participated in painting competition organized by Northeast Kala Mela, Guwahati from January 19 to 22, 2023. The children submitted their colorful paintings to compete with thousands of participants. Later, the organizers awarded certificate of recognition to all the 18 participants of FAsCE Supplementary Education Centres. Among them, two of the children received judges special medal.

## AWARENESS ON MENTAL HEALTH

To address the issue of stress, school anxiety and other psychosocial problem among children and youth, FAsCE India organized awareness programme on mental health on February 25, 2023. Mrs. Ponkhie Borah, Founder, Diligent Initiatives interacted with children of FAsCE Supplementary Education Centres. She highlighted the problems and issues faced by young people. The children were told to pay attention to any signs of discomfort and impractical thoughts. Various ways of coping mechanism to deal with stress and tensions were discussed on the occasion.

## EXPOSURE VISIT FOR FAsCE SUPPLEMENTARY EDUCATION CENTRES, CHAPAR

Conducting co-curricular activities is considered as crucial part of education and learning in FAsCE India. As part of this initiatives, FAsCE India organised exposure visit for the children of FAsCE Supplementary Education Centres, Chapar on February 27, 2023. The students visited Botanical Garden, Science Musuem and Planetarium Guwahati. The children had a fun-filled day with outdoor games and activities. The children learnt many things by observing, interacting and listening.

## AWARENESS ON GOOD TOUCH AND BAD TOUCH

With the prevalence of frequent cases of child abuse and molestation, it has become essential to make aware every child about their rights and empower them on the knowledge of good touch and bad touch. The students of Assam Don Bosco University, undergoing internship in FAsCE India has been working with the children of FAsCE Supplementary Education Centre. On March 17, 2023, the interns conducted an awareness program for the children at Bongaon. They were taught on ownership of their body, using right terminology, learn to resist, swim suit rule, learn to say NO, etc. These basic skills will help the children to protect themselves from any kind of physical and sexual abuse.

*“Let us make one point, that we meet each other with a smile, when it is difficult to smile. Smile at each other, make time for each other in your family.”*
